

J.K. Lee Tournament Rules

Dear Tournament Participants and Spectators,

It is my honor to welcome you to the annual Tournament of Champions sponsored by J.K. Lee Black Belt Academy. As Grandmaster of J.K. Lee Black Belt Academy, I am pleased by the quality of students who attend our tournaments. Children and adults alike come together in the spirit of healthy and friendly competition. Competitors support one another and reach within themselves for the best they have.

The tournament represents much of the heart and meaning of the martial arts. Students must train hard and regularly to prepare for competition and take their training and concentrate their skills for that single moment. Competitors learn to graciously and courageously accept the outcome, win or lose, big trophy or no trophy. Through tournament competition, adults and children experience the joy of

achievement striving to do their very best. It is all a part of growing as a martial artist. As you perform your best, and watch the best perform, have fun and good luck!

Pil-sung!
Grandmaster Jae Kyu Lee and Staff
